

LETTERS TO THE EDITOR

Dear Editor: Here is a letter I sent to the school board this week. Will you please publish it?

As a resident and taxpayer in this community may I request that you reconsider your action to eliminate the spring and summer recreation program.

I am a graduate of DePauw University, Greencastle, Indiana, a member of the American Association of University Women, a member of Trinity Presbyterian Church and I have worked in the trust investment field in banks for 13 years in Chicago and San Diego. Through my university and AAUW I have studied educational problems and through my work I understand financial problems.

The training of a child's mind and body is permanent and what he learns in his youth is the basis for what he becomes when he takes his place in the community. Money is only temporary—a means to an end—a few dollars from each taxpayer added together can give the children of this community the opportunity to use their bodies in healthy activity and their minds to learn fair play and teamwork, not to sit at home in front of a television set because there is nothing better to do.

I do not have children but I have talked to people who do and I know what the program has meant to their children.

I do not believe in going backwards. I believe that we must set our goals high and strive for them always. When we have made a gain, try for another.

Our modern conveniences are giving us more and more leisure time and we must teach the children how to use that time—idleness helps create this so-called delinquency. Children who do not have chores must be taught something constructive or our mental hospitals and jails will become even fuller.

Perhaps the reason for failure of several community undertakings have failed because the citizens were thinking only of what it would cost them and not what would be best for the community as a whole. If these people are unwilling to support their community how can they be willing to support their country. The (Continued on Page Twelve)

## \$2 Electric Rate Reduction For L.G.

Lemon Grove and Spring Valley may soon be paying the same electric rate as the residents of San Diego City which would result in monthly savings of approximately \$25,000.00 to area residents and business people, David Bird, County Supervisor told this newspaper this week.

Basis for this possibility is a recommendation to be given this week to the California Public Utilities Commission by the Commission's own staff after a lengthy study.

If the Commission follows the recommendation of the staff and it usually does, a new rate structure will be ordered for the San Diego Gas and Electric Co. following a public hearing scheduled May 31 and June 1.

At the same hearing The Gas and Electric Company is scheduled to present the results of a study they have been making and the Commission staff will offer testimony on its analysis of the zoning problem during the public hearings. The hearings will be presided over by Commissioner Justus F. Cratmer and Examiner Manley W. Edwards starting at 10:30 a.m. Thursday in the auditorium of the Chamber of Commerce Building, 435 West Broadway in San Diego.

At present the electric rate is separated into two rate zones. The higher one is the unincorporated communities.

The present rate is \$3.57 per kilowatt hour in San Diego and incorporated areas. The rate in Lemon Grove-Spring Valley area is \$4.48. According to the SDG&E annual report the average householder in its service area used 2,575 kilowatt hours last year, or approximately 200 k.w. hours per month.

This newspaper had editorialized against the discrepancy pointing out that electric rates, in general, are predicated upon population density and distance from source. In both of these instances, this publication charged, the Lemon Grove area was considerably closer to the source and the population density was greater than in surrounding incorporated communities which were then enjoying a lower rate.

The present rate was put into effect in August 1955 and amounted to an increase in rate for this area of 24%. It is not expected that the new rates will be retro-

active.

New rates, if staff recommendations are followed will fall into four zones. In Zone One Meter Rate will fall San Diego city, National City, Chula Vista, Coronado, Imperial Beach, La Mesa, El Cajon and the Lemon Grove-Spring Valley area. Others will pay higher rates. They are the more remote and the less populous.

Since the Commission permits the SDG&E a profit, it may be assumed that the loss of income from the unincorporated areas will be added to the rate in Meter Rate slightly the rates in the Zone 1. Theoretically this will incorporate areas but will lower dramatically the rates in Lemon Grove-Spring Valley. It is estimated that every resident in the area will enjoy a \$2 per month reduction.

Should the Commission reject the recommendation of its staff it will consider whatever proposal SDG&E will make.

### THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

Civic Center was all agog last week when the report of the civil service commission meeting held Tuesday afternoon and evening was read in The Union.

Assessor Arthur Eddy, long known around civic center as "the crown prince," seems to be realizing that Raul Laughlin is trying to have him removed from office. That is what all the ruckus is about, but nobody seems to have told Art.

The disappearance of a vital witness in Laughlin's case against the assessor, Tom Burgoon, is grinning at Burgoon, alleged "boy friend" of Eddy's who was brought out here by Eddy and given a job as draftsman under Bob Hendricks, and made good, although he was without previous experience in that line.

Laughlin made charges that Eddy had reduced assessments of several big taxpayers, giving figures, circulated some 3,000 letters. Included with these letters were photostats of "overly-friendly letters" from Eddy to Burgoon. Burgoon was a witness before the last grand jury, but the findings of that body were not published. He went to New York and got a job a short time ago.

Eddy is reported to have stated at last week's meet—it lasted 'til 9 o'clock—"I'll resign if you'll resign, if it will do the county any good," he told Laughlin. Incident to the fight is Laughlin's denial of Eddy's right to discharge him as appraiser. Attorney Cliff Fitzgerald has been

### Shelton Named By Governor Knight To Calif. Water Dept.

Governor Knight this week appointed M. J. Shelton, chief engineer and general manager of the Lemon Grove-La Mesa Water Works as deputy director of the newly formed California State Water Department.

Harvey Banks, California State Engineer was named director of the new department which was created by the last legislature to better handle California's growing water need.

Shelton, who joined the district in 1946 has tendered his resignation and this will be considered at a special board meeting Friday. He will also resign from the San Diego County Water Authority Board of Directors of which he has been a member since 1948.

The board will hear Shelton's recommendations for replacement at the Friday meeting.

### Paid Secretary-Manager Planned by C of C

The Lemon Grove Chamber of Commerce will hold its monthly meeting Tuesday June 5 at Justice Court offices at 7:30 p.m.

Two important matters will be up for discussion. One, consideration of a paid secretary-manager for the chamber will be given a complete working over. Another item will be the transfer of funds from the present savings account to a special checking account for the purpose of meeting expenses of a secretary-manager.

Consideration of a neon sign for the new freeway to identify Lemon Grove will be discussed. Further discussion of the upcoming rodeo will also be held. Bruce Harms will preside.

### Increases Voted For Teachers And School Administrators

An increase of 5% or roughly \$3.25 a week in salaries for classified employees of the Lemon Grove School District was approved Monday evening by the local school board. At the same time the teachers of the district were granted a \$100 a year increase in the certified schedule with an additional \$100 for the E.A. Degree classification. The latter was endorsed by the board in an attempt to increase minimum salaries in the interest of teacher recruitment.

In a six hour session the five man board continued a close scrutiny of the proposed budget, and the approximately \$20,000 has been cut from tentative 1956-57 expenditures. About \$5000 of this was the result of a reduction in the certified salary proposals as presented earlier this month by the teachers' salary committee. These reductions will mean a decrease of about 15c in the local elementary school tax rate as set up under the proposed budget.

The budget was for slightly more than a million dollars and the board lopped about \$20,000 off of it which amounts to ap-

proximately 15c on the school tax bills.

Actually, the local tax rate will rise 19c over last year from \$1.76 to \$1.97. Had it not been for mandatory expense items the total rate would have been a little lower for this year.

For example a state sponsored retirement plan in which the district had no choice increased the total six cents. Repayment of bonds, the initial year for this indebtedness added 12 cents to the bill and that is the approximate total of the increase.

The board reconsidered the spring recreation program operating from March through June, voted to discontinue it. The summer program for this year will be completed.

Health services to children of the district's five schools were expanded with the employment of an additional part-time nurse. Each school will have this service at least half a day beginning in September.

The next meeting of the board will be June 11, 7:30, at the Lincoln Street Education Center. Further budget considerations will be made then.

### Q. & A. Program Friday To Clear Up Broadway Improvement Discord

Disagreement over the cost and a question as to the responsibility of improving Broadway led to programming a full-dress question and answer session at the Men's Club Friday at Michael's at 12 noon. The divergence of opinions occurred when Jackson Ammons, local realtor, disputed the correctness of some of the figures given by Harry Griffen in a report of progress. Griffen is chairman of the Broadway Improvement Association. The discussion took place prior to the program and lasted so long

and state public works and road agencies would pay for the improvements with the possible exception of curbs, sidewalks and lights.

Various county authorities involved in the work have been laying out the work and working on estimates, Griffen said. He said that firm figures could not be obtained until a precise plan had been approved. When these plans and figures are available property owners will have an opportunity to say whether or not they want the improvements made.

All men interested in the project are invited to attend Friday's meeting.

### The Dimmer VIEW

By MAX GOODWIN

Once in a while a guy can get a bargain, and help his neighbors as well as himself.

Both bargains in this deal are particularly desirable because it will put prize-winning meat on your family's table and will aid and assist some non-delinquent juveniles.

Whole substance of this project is buying, by bidding, some blue ribbon type lambs which have been raised by local 4-H youngsters. These youngsters are amazing because they are in the 11 to 13 year old age range. Their lambs will be shown at the County Fair at Del Mar this summer. The children fatten out and groom their animals. They earn the money to pay for the feed. If their animal sells at a premium they make money. It is very possible for them to lose money, too. Hazardous occupation for a bubble gum business man.

These prize animals average out about 85 pounds and it is a good estimate that a bid of 40 cents a pound will buy an animal. That amounts to \$34. Local packing houses will slaughter the beast for \$5. They will then dress it out and wrap it for eight cents a pound, the dressed out weight of an 85 pound animal would be about 50 pounds or \$4 additional. So, for \$43 a prize lamb may be acquired, dressed and wrapped for the freezer.

To take the burden of handling the detail off your shoulders, this newspaper will assign someone to make your bid, arrange for slaughter and get the lamb dressed and wrapped for you. You can even choose the quantity of each cut you want in each package. We have already arranged with Mason Feed and Supply to pick up the packages, store them to Lemon Grove and bring them to a freezer so that you may pick up your purchase without fuss or worry. All this extra service adds to an already big bargain.

A whole lamb makes a big dish, possibly too much for some families, so here is what I propose:

Get a friend or a neighbor and form a syndicate. Either quarter or halve a lamb and put it in the freezer compartment of your refrigerator. Then, every time you chomp on a succulent lamb chop, or take a tasty tidbit from a leg o' lamb, you'll know you are getting the finest meat obtainable, but more important you will have made a very charitable contribution to a youngster's program, who by the act of ownership of this prize-candidate animal has shown industry and ambition not often seen and seldom recognized. Only reservation is that you and your syndicate buy a full animal. No fractions possible for obvious reasons.

Who are these industrious youngsters? I'll give you names and addresses to show you just how local this project is. Bear in mind that each child named has raised and entered one lamb.

Lynne Tristram and Dennis Tristram, 6811 San Miguel; Lorraine Lukas, 4125 Donna, Vista La Mesa; Bob Wendt, 9265 Hillside Dr., Spring Valley; Michael and Lana Jaquith, 7377 Mt. Vernon; Donna Rundell, 8533 Gate-side Rd., La Mesa; Michael and Sheila Cosby, 8277 Golden Avenue; Michael Knapp, 6997 San Miguel and James Toft, 4140 Calavo, La Mesa.

Each time you and your family sit together at dinner to enjoy this quality lamb, it will taste better and it will warm your heart because of the encouragement you have given these children.

### Those Were Not Hoboes—They Were Scouts Pack 318

By MRS. C. H. SKINNER

Times are not as tough as they appeared Friday evening at Friendship Hall. It was merely Cub Scouts of Pack 318 acting out their monthly theme as hoboes, and hoboes there were aplenty. All hoboes paraded in Friendship Hall singing "Hallelujah I'm a Bum." The meeting was opened with the flag ceremony by the den chiefs, under the direction of Leland Barr, institutional representative. E. Owens of Den 2 read the poem "If" as an inspirational thought. Den 5, Mrs. Lysette Stumbaugh, den mother, gave a skit of hobo chatter around the camp fire.

Advancement ceremonies were conducted in a hobo jungle with Cubmaster Robt. Wilber, committee chairman Cecil Skinner, and den mother of Den 1, Alice Wilber, as chief hoboes. After the boys received their awards, they were asked to join the campfire circle. The following awards and advancements were presented: Den 1: Donald Luscomb, lion badge, gold and silver arrow; Paul Menard, silver arrow. Den 2: Billy Sperling, one-year pin. Den 3: David Marquardt, wolf badge, gold and silver arrow; Dennis Bauer, silver arrow. Den 4: Steven Lane, bear badge; Jimmy Arsenault, gold arrow. Den 5: Howard Estes, bear badge, one-year pin; Allen Ursillo, one-year pin; Tommy McClure, gold and two silver arrows. Den 7: Robt. Landis, silver arrow; Neil Graham, wolf badge and gold arrow; Ronnie Burke, wolf badge; James Nicodemus, one-year pin, silver arrow. Den 8: Glenn Goble, lion badge, gold arrow, silver arrow; Bobby Long, silver arrow; Bill Skinner, silver arrow; Joe Hadfield, one-year pin.

Judging the hobo contest were Carmine Ursillo, Jim McClure, Spencer Bell and Lawrence Sozani. Each boy was dressed according to his idea of a hobo, and a sorrier looking bunch you never saw. There were whiskers of all types, baggy pants, patched pants, and beat-up hats and shirts. This added to the judges' dilemma, and after much deliberation, they came forth with two winners: Gary Zwerneman of Den 7, and Robert Marshall of Den 3.

The boys gave a howl of appreciation to E. Owens for the planning and carrying out of a father and son hike and cookout at Eucalyptus Park last week, with the boys doing the cooking.

Plans are in the making for a pack roller skating party this week, under the direction of Jim McClure of Den 5. Victor Johnston of Den 2 has planned a father and son day at Lane Field on June 9 to see the Padres beat Los Angeles.

Closing ceremony was by Den 4, Mrs. Kay Pace, den mother, with the boys singing "A Blue Jay Had the Whooping Cough." Refreshments were served by the parents of Den 2, Mrs. Virginia Rusk, den mother, and Den 3, Mrs. Marge Heath, den mother.

### L.G. Theatre Guild "Grand Prize" Opens June 29th at Helix

The Lemon Grove Theatre Guild announces this week that "Grand Prize," their first production will run two nights, June 29th and 30th in the Helix High School Little Theatre. "Grand Prize," recently on Broadway, has just been released for amateur use. This will be its first showing in the San Diego area. "Grand Prize," a comedy by Ronald Alexander, concerns the gay and humorous situations that a secretary gets into when she wins her millionaire boss for hours on a television show called "Boss For a Day." The leading roles of the Secretary, Lucille Cotton and her boss, Bob Meredith are cast with Luana LaTeur and Merritt Kriedeman. Luana is a veteran of amateur theatre work in the East and has appeared recently in several productions in the San Diego area. Merritt Kriedeman has appeared in many productions with the Chula Vista Community Theatre. His recent productions include "Harvey" and "You Can't Take It With You." Merritt promises a convincing portrayal of Bob Meredith, and his winning way promises to tab him the "Play Boy" of the season.

Dixie Lowe, Tom McCulloch, George Hamilton, Corrine Kuehne, Dan Walsh and Harry Robinson will all prove that the supporting roles are just as important and twice as fun.

Curtain will be at 8:15 p.m. and the admission will be only 75 cents.

### Coronado Publisher Makes Race for Demo Central Committee

Five candidates from five different communities in the Second Supervisorial District are seeking posts on the Democratic County Central Committee as a group in an effort to bring the broadest possible representation to the committee.

Robert L. Spears, Lemon Grove-La Mesa civic leader, has joined in this effort with George K. Williams, Coronado Journal publisher; Vincent Whelan, attorney of Bonita, who is present chairman of the county committee; Mrs. Elisabeth Boyer, present secretary of the county committee, and E. L. Mangelsen, of National City.

The group of five candidates is sponsored by the Committee for Equal Representation, C. A. Young, Coronado, chairman. "The county committee is charged under state law with governing the Democratic Party here," Young said, "and representation on a broad basis is necessary for an equal voice."

In Lemon Grove, John Dail, Sumner Apert and Bert Betts are running for Central Committee posts.

### 4-H CLUBBERS GETTING READY FOR COUNTY FAIR

Lemon Grove 4-H Club, under leadership of Mrs. R. A. Knapp, is busy these days getting entries ready for the county fair at Del Mar, which opens June 29 through July 8.

However, the immediate concern of the young people in the local club is the El Cajon Fair, May 30 to June 3. This affair will have entries from Grossmont High School District area, and promises to be interesting.

This El Cajon showing will enable the entrants to get the first points of judging and handling their entries, and we hope they will bring home some blue ribbons.

Sheep and rabbits will be shown by Lemon Grove entrants.

Entrants of livestock at Del Mar will pay \$15 each for board and room. The fair management provides beds, sleeping quarters, and supervision for the ten days the fair is open, with the entrants showing stock furnishing their own bedding. The arrangement is popular with the young exhibitors, who consider the \$15 charge very reasonable. "If all the boys who participate have appetites like my boy, the fair will come out the short end of the horn," Mrs. Knapp remarked.

The Lemon Grove 4-H Club membership has kept up during the year, with meetings every Friday. Only three members dropped out, for different reasons.

Sheep, rabbits and chickens are the projects mostly engaged in. One girl chose a lamb for her project and has trained it to follow her, stop when told, kneel down at command. Asked how she was going to be able to part

with the lamb—the animals are sold at the end of the fair—the girl didn't know, thought it would be tough. (Tears.)—D. H.

## War Acquaintanship Brings Dr. Daarud To Grove

A professional association which grew from an Armed Forces friendship has brought a North Dakota doctor to Lemon Grove.

The newcomer is Dr. Richard Daarud who has established a practice with Dr. George Brassington in the Grove medical building at 7850 Golden Avenue.

Dr. Brassington was called in to Army service with the 2nd Division in 1953 after practicing here since 1948. The latter years of his service was at Madigan Army Hospital at Tacoma.

Dr. Daarud, serving with the Air Force in the same general area became acquainted with Dr. Brassington. Later their families became involved in the same social circle and found they were compatible socially as well as professionally. Earlier this year the two doctors' paths crossed again at a medical convention in Los Angeles. Brassington told Daarud of the growth of Lemon Grove and of his need for an associate. That did it.

Dr. Daarud having gotten his practice established here has now turned his attention to his family who are still in North Dakota. He plans to bring them here in June after his furniture arrives and is properly installed in the residence he acquired for them at 3041 S. Bonita, Spring Valley.

His family is Gladys, his wife, and two sons, Scott 2½ and Steve.

en 1. Dr. Daarud attended College of Medical Evangelists in Los Angeles and his home is Mandan, N. Dakota. Both men are physician-surgeons.

## State Financial Responsibility Law May Ground Drivers Without Financial Assurance

SACRAMENTO (Spcl.)—State Motor Vehicles Director Paul Mason reminded California motorists of a new law which could "ground" not only the driver but the auto of a financially irresponsible person involved in accidents causing property damage, bodily injury or death.

The new act which goes into effect July 1, requires the Department of Motor Vehicles to suspend the registration and license plates when the driver or owner of a vehicle involved in a reportable accident fails to comply with the security requirements of the law.

(A reportable accident, Mason explained, is one resulting in death, injury or property damage in excess of \$100.)

California's new financial responsibility law was passed in 1948, and originally applied only to the driving privilege of persons who were unable to satisfy damage judgments growing out of accidents for which they were to blame.

"Every driver involved in an accident in which there is death, injury or property damage in excess of \$100," Mason said, "is required by law to report the accident to the Department of Motor Vehicles on a regular form available from the department, law enforcement agencies and insurance companies. The DMV does

not place blame. That is the province of the courts.

"This security phase of the law is known as proof of ability to respond in damages. Such proof may be either an automobile liability insurance policy, a surety bond or cash deposit with the State Treasurer.

"Failure to post the security required, Mason added, "may result in suspension of driver's license and the owner's registration certificate and plates. In such a case, the registration card and plates must be given up to the Department, and the car must be stored at the owner's expense for the term of the suspension."

## Scout Fair To Be Held This Week-End

The annual San Diego County Council Fair will be held Friday and Saturday at Balboa Camp at 1207 Upas Street in San Diego.

Many of the county's 20,000 scouts and more than 850 adult leaders will participate in the event.

The Fair is alternated with a scout circus and there are 200 booths displaying scout skills. Nothing is sold at the booths. Admission charge is 50c except children under 5 free. This

money is used to defray expenses of the project and supply a small amount of money to unit treasuries.

The Friday exhibition will start at 7:30 p.m. and close at 10 p.m. Saturday the Fair will be open 2:30 to 5 p.m., and 7 to 9:30 p.m. Tickets may be obtained from any Scout or at the main gate at the Fair.

## Tells When to Stop For School Buses

SACRAMENTO (Spcl.)—Misunderstanding of the school bus law is indicated by the actions of many motorists when approaching a stopped school bus on the highway, says the California Highway Patrol.

"The law requires motorists to stop only when the school bus is stopped and the red lights are flashing," stated Patrol Commissioner B. R. Caldwell. "If the sun is in a position to make the lights

difficult to observe, it is well to slow down until you can discern the status of the lights.

"It is not necessary to stop if the school bus is standing and the red lights are not flashing. It is advisable, however, in the latter situation, to approach the bus at a controlled speed and be prepared for a quick stop if some child should unexpectedly run across the highway without warning.

"If the provisions of this law are not clear, complete information can be obtained at any highway patrol office. It is wise to know and obey all traffic rules."

### Six Gardens on Hospital Women's Tour

A horse show, a home-grown plant sale, and delicious refreshments, will be extra attractions at Grossmont Hospital Women's Auxiliary's third annual home and garden tour, Saturday and Sunday, June 9 and 10, 1 to 5 p.m.

Six unusual homes and gardens will be visited, each one an excellent example of its type; each one noteworthy for some striking feature or features. All are located in the Mt. Helix-El Cajon area within about a seven-mile radius; distance between stops being shown on the maps. The route will be marked by arrows and flags. Nearby parking places will also be indicated. Auxiliary members will act as hostesses at each stop, where they will punch the ticket-maps, and supply any information and guidance that may be required.

Tickets for the tour, including refreshments, may be obtained for a \$1 donation, through any member of the auxiliary, from Mrs. Ted Sherman, Lakeside (HI 3-6257), and at La Mesa Chamber of Commerce. On tour days, they will be available at each of the stops on the tour. Proceeds will be used to help pay for time-and-error-saving patient-admitting equipment for Grossmont Hospital. Mrs. A. J. Monteverde, El Cajon, is general chairman of the tour; Mrs. S. P. Thatcher, La Mesa, co-chairman.

### Forty-Year-Old Newspaper Clipping Tells of Honeymoon Hike

Strains of the Anniversary Waltz set the mood for the Couple's Club meeting at Friendship Hall last Saturday evening.

Couples, totting wedding pictures and potluck dishes came to celebrate the club's first anniversary. Vi and Pete McKern brought a newspaper of about 40 years ago. On the front page were their pictures and an item about their honeymoon, a hiking trip. Sounds like a unique way to spend a honeymoon, with a pack on your back!

It's always fun to sing the old songs. Memories and When You Wore a Tulip took us quite a ways back. To commemorate Dave Fosse's wedding year, he asked us to sing "Show Me the Way to Go Home" and we were glad to.

The tables, beautifully decorated to represent the seasons of the year, were pushed back after supper to make room for waltz contest. Mr. and Mrs. Emil Norman, newlyweds of 30-odd years ago, waltzed to win, and were presented with a photograph album to keep those wedding pictures in.

After the contest, the amateurs took over and closed the evening with ballroom dancing and several square dances.

### County Welfare Scandalous, Says De Graaf

Terming the "county welfare setup—a public scandal, still under investigation by the grand jury," Peter De Graaf, candidate for supervisor in the second district, called for "a cleanup of the situation, which has been allowed to develop by the board of supervisors."

Addressing a meeting of the El Cajon Valley Homeowners and Taxpayers Association Friday in the Bostonia School auditorium, De Graaf, vice-mayor of Chula Vista, gave facts and figures from the county's own reports showing that the "cost of county welfare today is exceeding \$19,305,000 or 41% of all expenditures for the fiscal year." This, he added, is more than the total income from property taxes.

"This is a situation that must be cleaned up and speedily in fairness to the overburdened taxpayers, as well as the deserving needy, and old age dependents."

"Truly, the taxpayer is the forgotten man and woman in these days of soaring taxes, for which he and she are getting less and less," he added.

### Hobby Entries Date Given for Fair Competition

Entries close June 15 for the hobby show in the 17th annual Southern California Exposition and County Fair at Del Mar, June 29 through July 8.

All entry forms must be received by the hobby show office no later than the deadline date to qualify for competition. Judging will be conducted Tuesday, June 26 at 10 p.m. on the fairgrounds.

Ribbons and trophies will be awarded, but no exhibitor will receive more than two awards in any one section.

### GOD SOLE CAUSE SAYS SERMON

"God the Only Cause and Creator" is the Lesson-Sermon subject for Sunday in all Christian Science churches.

The sermon speaks of God as the source and substance of being and of God's laws as upholding His creation. Isaiah's words typify the theme when the prophet writes, "Ask me of things to come concerning my sons, and concerning the work of my hands command ye me. I have made the earth, and created man upon it" (Isaiah 45:11,12).

LEMON EIGHTERS

Not as gala, but just as gay as their anniversary party, was the Lemon Eighters party night at Friendship Hall last Thursday night.

Nine squares were kept twirling and turning by the rhythmic chatter and singing calls of our own Stan Bryan. Tommy Ashton, honorary Lemon Eighter, was there to give him a helping hand. Little Lynda Bryan, Janey Bryan and Al Lindsley all took their turns at the mike.

It was an honor for us to have not one but two couples of the month with us. They are Earl and Alice Jero and John and Phil Sullivan, both of Buttons and Bows. The Lariats, Silver Spurs and Square Ds helped add to the success of the evening.

Lucky Lemon Eighters! We draw a bonus evening of dancing with five Thursdays in the month of May. So we'll be squaring up this Thursday night at Friendship Hall. There'll be an added bonus, too. Al Lindsley has promised to call Sixteen Tons for us. It's a new call and plenty fast, something none of us will want to miss.

Lemon Grove (Calif.) Review  
Thurs., May 31, 1956

### Publisher Endorsed By Assemblyman's Widow

Mrs. Ralph Cloyd, wife of the late Assemblyman Cloyd, today endorsed and urged her many friends to vote for W. Ray Coyle and Kay Erwin, candidates for the County Republican Central Committee.

Mrs. Cloyd stated, "Here are two interested Republicans who I know will represent the best interest of the people of our district. Urge your friends to vote for them."

Coyle, publisher of the Star-News in National City and Chula Vista was the organizing chairman and Mrs. Erwin the organizing vice-chairman of the 90th District Republican Assembly. This is the organization which has sponsored several meetings in this city and also the special dinner party honoring Senator Bill Knowland a few months back, which attracted more than 800 guests.

The department of public works transmits two sewer easements for acceptance by the Lemon Grove Sanitation District.

#### La Mesa Takes Another Bite

Certificate of the secretary of state, certifying to the filing in his office on May 2, 1956, of a statement or certificate of the city clerk of La Mesa showing the date of a special election held on the question of annexation of certain contiguous territory; canvass of the returns and result of said election; together with a certified copy of Ordinance 683 of said city, approving the annexation of certain inhabited territory to the city and designating said territory as "El Tejado."

Letter from the surveyor and road commissioner concerning the request of Roy Nielsen that the county contact the State Division of Highways relative to certain problems in connection with frontage roads for state freeway, Lemon Grove; reporting that he contacted the State Division of Highways and that the proposed minimum graded width of 32 feet of service roads is the standard which the county requires; that the state is providing 25 feet width surfacing in excess of the standard in effect in the subdivision ordinance; and that he is addressing a letter to the state asking that it endeavor to work out with property owners the problem of sewers and water mains in the frontage roads being constructed by the state, so that the paving will not have to be cut later.

#### Dance Permit Denied

Application of Nelda and Banning Taylor for a dance permit at Los Coyotes Indian Reservation near Warner Springs was denied.

Several residents, owning substantial homes near dance hall, protested the granting of a license, as undesirable persons from outside areas caused disturbances after midnight, empty beer cans and bottles were thrown on the highway and on private roadways. The Indians on the reservation do not attend the dances and are "good neighbors"—it is the outsiders who cause the disturbances.

One lady shed tears and could not continue her protest when she mentioned her valuable dog which had been killed while guarding her property.

Col. Pierce, USMC retired, who was in command of the Marines stationed in the San Diego area during the war, said he had bought property and built a home less than a quarter mile from the dance hall as a place to go and get rest and quiet, but that his wife refused to stay alone on the place, due to the disturbances.

Protestants said they had repeatedly called the sheriff's office but got no relief.

It developed that the state liquor department had approved a liquor license for the place, although protests had been sent in. All speakers spoke highly of the Coyote Indians, whose reservation is just around the hill, half a mile away, and emphasized the fact that said Indians did not attend the dances, nor did they bring in any liquor.

#### Agenda

Seventeen pages of typewritten matter, with 107 matters listed on 15 pages, comprised this agenda. Three pages of items were added.

Clerks in the supervisors' department, five girls and sometimes more, put in the week getting these matters together. Being a supervisor is not a snap, and requires knowledge of county affairs that takes years of service to acquire.—D. H.

### 399 Hobos Hold Convention

By Dr. Robert Burns

The 399 boys (Cub Pack, that is) convened at Eucalyptus Park for their monthly meeting with parents and relatives in attendance. The entire Pack was dressed in Hobo costume and a grand parade was held to determine the three best outfits. The costumes were all so authentic that it was impossible to get any of the parents to claim ownership of the boys, thus the names of the winners are not known.

Den 4 under Mrs. Tienen came through with a most inspiring musical interlude presented by a

Den 4 also walked off with Hobo Band and their rendition of "Oh Sussanna."

Another highlight of the meeting was a demonstration put on by the Webelos Den under Mr. Kephart. A practical enactment of some of the emergencies and their corrective First Aid treatments was very well done by the boys. They also demonstrated some cooking techniques with aluminum foil.

## L. G. V.F.W. Takes Part in St Philip's Services

At last Sunday's morning service at St. Philip's a delegation from the Lemon Grove post of the Veterans of Foreign Wars joined with the congregation as part of their Memorial Day commemoration.

The church family picnic with St. Matthew's, National City, will be held next Sunday, June 3 at Camp Stevens in Julian. Hot drinks will be provided. Those who care to go early may attend a service at 11:30 at the camp.

During July and August there will be no formal Sunday School classes; however, there will be two teachers on duty to care for the nursery school children to second grade. Other children are asked to attend church with their parents.

## Annual Wrist Watch Award Made By Jerry Walter

Two youngsters in Lemon Grove schools were presented with wrist watches Saturday by Jerome Walter of the Walters Jewelry Co. as part of an annual eighth grade award event.

At St. John of the Cross School John Osterberg, 7621 Circle Drive, was the winner. Lloyd Hawkins, 2058 Washington Street, was the winner in the public schools category. The drawing was held at the REVIEW office.

Each winner received a Wyler 17 jewel shockproof wrist watch and names were selected by drawing from several hundred entry blanks. Youngsters, when they registered, were given a gold "56" pin, marking the year they were graduated to high school. Incidentally, there are 20 such gold pins left, Walter said, and they will be given to the first 20 eighth graders to request them. There is nothing to buy and there is no obligation, he added.

Walter said that he would continue the watch award practice in the interest of good will and

to help students get to know the advantages of good watches. "When I went to school we stayed in one room all day," Walter said. "We were dismissed by the ringing of a gong. Nowadays high school students have to move from class to class, and in many cases they change from one building to another. These classes are on a tight schedule and minutes count. That's why watches are so important to students these days," Walter concluded.

Salt was so precious in India it was once used for money. Modern folks use salt for seasoning, and money and credit to get the things they need and want. Everybody needs a vacation, and many of your friends and neighbors take and enjoy that vacation with the help of a PF Vacation Loan.

tainment have been scheduled.

## REDUCED PRICES ON FAIR TICKETS ENDS JUNE 15

Only two weeks remain in  
which to take advantage of the  
Southern California Exposition  
and County Fair's reduced-ticket  
sale. Manager Paul T. Mannen  
warned this week.

PTA units throughout the  
county are selling adult tickets  
for 50c each, a reduction of 35c  
over the regular admission price  
going into effect June 15. Chil-  
dren's tickets also are available  
for the regular price of 25c, Man-  
nen said.

A portion of the proceeds will  
go to San Diego Children's Den-  
tal Center and participating  
units.

## Prop. 'W' Support Urged by Heilbron

Importance of voting in the  
primary election next Tuesday  
was pointed out this week by  
Fred A. Heilbron, chairman of  
the San Diego County Citizens  
Committee for Proposition "W,"  
the water measure on the bal-  
lot.

Heilbron, who is chairman of  
the San Diego County Water Au-  
thority, said the committee he  
heads has sought to impress vot-  
ers with the need for approval  
of Proposition "W." He summa-  
rized the measure in these words:

"It is a no-tax-increase pro-  
posal to finance construction to  
bring the Colorado River to its  
full delivery capacity. This water  
expansion program will provide

enough additional supply to take  
care of domestic and industrial  
needs of Metropolitan Water Dis-  
trict areas, including our county,  
for years to come. No new taxes  
are involved, as 'W' will author-  
ize short term notes backed by  
fees being paid annually to the  
district.

## LETTERS

(Continued)  
world is suffering because they sit complacently in front of their television sets being entertained. They have stopped thinking for themselves. One day when the world blows up around them they will be frightened and wonder how it happened. Do something now before it is too late.

This is my challenge—wake up—do something—take every opportunity to make children better citizens of their community, state, county and even the world. Teach them to realize their obligations to mankind. Please don't shut this one door of opportunity for them unless you have something better to replace it. Children need guidance and authority until they are mature enough to accept responsibility themselves.

Mrs. Louis Poluzzi  
7843 Bryan Court

The board said at their May 21 meeting that a program representing a budgeted \$2,400 would have to cater to far more youngsters. They also indicated that they would cut wherever possible on non-education items.

Dear Editor:

Some boy who is now the proud possessor of two shiny new rubber tired wheels, 8 inches in diameter with axle, may not like to have his parents know that they were stolen. This boy broke into a garage near Cypress and Mt. Vernon sometime between Thursday May 25 and Sunday evening and removed them from a garden tractor. How does the owner and the sheriff know it was a boy? Child-like he helped himself to a couple of old golf balls in a nearby glass jar.

If the grief-stricken parent of such a boy would care to humiliate themselves to return the wheels to 7774 Mt. Vernon Lemon Grove, they are perfectly welcome to sneak them back. They will always have the heartfelt sympathy of the owner. By whatever method they are returned, no action will be taken.

Please though, don't ask for a reward.

Lee Thompson

Nothing brings heart-break more quickly than parents learning of their erring offspring's activities. We too, hope that the parents will notice the two new wheels among their little man's pretty rocks and the like and get collection of shells, fishing tackle, them back to reader Thompson and by so doing possibly prevent a more serious activity.

Republican Central Committee  
Primaries, Tuesday, June 5th

Dear Editor:

It has been brought to my attention that my name appeared in the Spring Valley BULLETIN as a committeeman for a party seeking a political office.

I have never endorsed any person or party seeking political office. I feel by so doing, there would be a breach of trust on my part as a public officer.

I hope you will place this notice in your paper this week, to correct this error.

Respectfully yours,  
F. R. Faucher  
Lemon Grove Postmaster

Postmaster Faucher said by telephone, soon after the SPRING VALLEY BULLETIN appeared on the streets, that he did not authorize the use of his name in a news story released by a local Democratic group.

His name was duly removed from the story when it appeared the next day in the LEMON GROVE REVIEW.

—Ed.

Dear Mr. Editor:

I am a new subscriber to your REVIEW and find it both an interesting and informative newspaper. This community of ours is a growing one and those who hold elective and appointive positions should grow with it. In this connection, I would like to have you publish the following in your "Letters to the Editor" column:

Traditionally and basically, the local postmaster is the federal government's "Uncle Sam" representative in the community. It should be the place where information can be obtained. This is not so at the post office at Lemon Grove. I have heard many people complain and have been inconvenienced myself by having to drive about 12 miles to the San Diego post office to see what kind of civil service examinations are being announced and to obtain the necessary form with which to apply. In this connection, the postmaster of the San Diego post office is to be commended.

However, not so at Lemon Grove; why not, isn't that a first or second class post office? Other local post offices do post exam announcements. I have written our congressman, the Hon. Bob Wilson to find out why the citizens of this wonderful community cannot obtain such a service from our postmaster.

Hoping that you can publish the foregoing in your next issue as a public service, I remain

Sincerely yours,  
Benjamin Bergman  
2121 Ensenada St.

In an order dated January 27, 1956, the regional director of this postal district, William A. Foley, instructed the Lemon Grove and other post offices to ascertain addresses of Examining and Information Points and refer inquiries thereto. This order was in the interest of economy, and according to Postmaster Faucher it saves the local branch more than \$1,000 annually. San Diego and Oceanside are examining points. San Diego post office building is the location of the local civil service office.

From 1954 branch offices did display civil service announcements. This newest order supersedes the 1954 order. That makes Lemon Grove post office lawful and legal in civil service information.

—Ed.

Dear Editor:

Had I been aware earlier of your May 17 publicity in our behalf, my thanks would not have been so belated. Your treatment of the material was more than we would ever dare hope for and I extend the appreciation of the Civic Club as well as my personal sentiments.

Since speaking with you on Friday, there have been developments which may be of interest. Women of Lakeside and National City have phoned me requesting assistance in activating a neighborhood Junior Job group of their own. One in each area has volunteered her time and residence phone as liaison for the

project (even as I). The second element is the newspaper publicity—two or three issues to get established—which will be forthcoming; the third requirement is a nominal sponsor, a local bona-fide civic group to lend its name to the program for authenticity, prestige, etc. There is no expenditure involved and no one contributes any time or effort except the one woman who volunteers her phone services. Mrs. Marcoux lends a hand to get a start whenever requested. NOW . . . since your very gracious and excellent article of May 17 produced not a single call from Lemon Grove, it is obvious that residents will respond only to their own Lemon Grove operation . . . and of course that is the correct procedure. So I am withdrawing my request for more publicity for the Lomita club and respectfully suggesting that you publicize the need of a woman

volunteer to man the phone, a civic group as sponsor (with nary a responsibility), and the contribution of your own newspaper of the required publicity. Your own publishing firm can be sponsor, or you pick and choose a group to your own taste. Lakeside and National City are all set now with the exception of the sponsor . . . which lack will be remedied in a couple of days.

Please don't think me dictatorial . . . I can only state facts as they have been successfully developing. Many thanks for your assistance.

Adelaide Marcoux  
Lomita Village

Mrs. Marcoux's Junior Job program is one of several needed teenage youth projects. Should any group desire to assist, notify this newspaper or Mrs. Marcoux at HO 3-2716.
